

## Fair Trade Art Invitational

As part of Fair Trade Fortnight (April 28 – May 13, 2007), the WA Fair Trade Collective is hosting an exhibition with the theme “Fair Trade”. This will be held at the Kurb Gallery, Perth from Sunday 29<sup>th</sup> of April to Friday 4<sup>th</sup> of May.

We are inviting interested artists to contribute any artform that comprises or represents any aspect of fair trade.

We use the following definition of fair trade:

Fair trade is a trading partnership, based on dialogue, transparency and respect, which seeks greater equity in international trade. It contributes to sustainable development by offering better trading conditions to, and securing the rights of, marginalized producers and workers - especially in the South. Fair trade organizations (backed by consumers) are engaged actively in supporting producers, awareness raising and in campaigning for changes in the rules and practice of conventional international trade.
